

# Artfund

As part of the fund raising efforts for the Multiplex for the Battlefords and area, we would like to provide donors with a very exciting opportunity to own some exceptional pieces of art and at the same time make a contribution to the Multiplex project.

The various components of the complex will be a very appealing addition to the Battlefords, but will certainly require some decorative touches to finish them off. That is where you come in! In exchange for your donation you can purchase a piece of art from any of the featured Saskatchewan Artists we have listed below. The ownership of the art remains with you; you just place it on display at one of the Multiplex facilities for a period of at least 5 years. You do not negotiate the actual purchase of the art work, our Multiplex art committee will do that on your behalf however, your donation will be double the actual purchase price. The additional funds will be put toward the completion of the various Multiplex facilities.
