North Battleford

BATTLEFORDS MULTIPURPOSE FACILITY SURVEY

City Council welcomes your opinion.

1. Resident of: North Battleford ___ Battleford ___ Rural Municipality ___ Other ___

2. Do you believe the project should proceed at all? yes no

3. If the $45.8 million fund raising target is not reached by Spring 2009, should phasing in construction of the components, as further funding and/or fund raising monies are secured, be considered? yes no

4. If phasing in is chosen, following the aquatic centre, which components should proceed to construction second, then third and fourth:
   please number in order of preference
   Curling Rink ___ Field House ___ Performing Arts Centre ___

FOR NORTH BATTLEFORD RESIDENTS:

5. The City has committed $10 million towards the construction of the project, which can be financed without raising property taxes. Are you in favour of the City committing further funding, which may increase property taxes in future years? yes no
